HOLIDAY PARTY FOR BIG BROTHERS BIG SISTERS BIG SUCCESS

This December the annual Christmas Party for Big Brothers Big Sisters was held at the Newington Skate center. Over one hundred “Bigs” and “Littles” came to celebrate the season. The party was attended by what the agency calls “Matches”. A match is a Big Brother or Sister with their Little brother or sister. The “Bigs”, range from age 21 to 69, in attendance at this party and the “Littles” are from 6-18, with almost everyone trying at least one trip around the rink.

Deb Anthony, Executive Director added “This is when you really see the magic of mentoring, Look at all those faces, where else would you find a local police officer, a marketing supervisor, a retired marine, and a University student all volunteering to benefit children. Consider that right here today we have over 300 volunteer hours being spent to benefit the children of our community. And then consider they are all smiling.”

The Board President, Bruce Crockett smiled as he watched the skaters. Another Board member, Frank Easton, took to the rink with his “Little”. This is an agency that practices the mission from the Board down. Enrollment Specialist, Stacey Clermont rolls by with her “Little” and few others in tow. Anthony remarked. “Today you really can see first hand what the impact of mentoring is. While this makes me feel wonderful what really matters is that these matches do this all year long.” Enough said.
